

Wideband Computers, Inc.
TMS320C3x and TMS320C4x
Optimized DSP Library User's Manual

Version 3.0h

Wideband Computers, Inc. (Wideband) has prepared this manual for use by Wideband personnel, licensees, and potential licensees. Wideband reserves the right to change any products or information described in this manual without prior notice. This manual does not convey any license or warranty beyond the terms and conditions set forth in the written contracts and license agreements between Wideband and its customers. The software described in this manual is licensed from Wideband. This software is a trade secret of Wideband. Refer to the License Agreement for the restrictions on use, duplication, or disclosure of this software.

RESTRICTED RIGHTS LEGEND. This software is Commercial Computer Software under Federal Government Acquisition Regulations and Agency supplements to these regulations. The software is provided to the Federal Government and its agencies only under the Restricted Rights Provisions of the Federal Acquisition Regulations applicable to Commercial Computer Software developed at private expense and not in the public domain. Use, duplication, or disclosure by the U. S. Government is subject to these restrictions.

Trademarks in this manual are the registered trademarks of the respective holders.
